

# Employers, See How the State Information Data Exchange System (SIDES) with Connecticut Can Help Your Company!

**SIDES allows the Connecticut Department of Labor (CTDOL) to electronically send separation information requests and Unemployment Insurance (UI) hearing notices. This free service – offered in Connecticut as CT SIDES – provides a quick, secure, and nationally-standardized format for communicating UI information.**

## **For small and medium-size employers:**

The **SIDES E-Response** service is an ideal solution to exchange separation information with CTDOL for unemployment insurance purposes. To use this free service, a Connecticut-registered employer only needs an Internet connection, web browser and valid email address.

## **For large multi-state employers or third party administrators (TPAs) doing business in CT:**

**UI SIDES** service supports a computer-to-computer interface allowing employers and TPAs to customize their system to directly interface with SIDES.

## **Benefits of CT SIDES:**

- Lowers employer costs and saves paperwork.
- Fast and efficient way to receive and respond to separation requests from CTDOL
- Reduces:
  - ✓ UI overpayments
  - ✓ UI tax rate
  - ✓ Follow-up calls
  - ✓ Number of appeals filed

**SIDES utilizes multiple layers of security that adhere to the highest standards for handling sensitive data exchanges!**
