

October 17 Montville *American Job Center* Micro Career Fair Features Five Employers

WETHERSFIELD, October 11, 2018 – To provide jobseekers in Eastern Connecticut with additional resources in their job search, the Connecticut Department of Labor is sponsoring Micro Career Fairs several Wednesdays each month at the Montville *American Job Center*. The next event, being held 11 a.m. to 2 p.m. on October 17, features five local employers. The job center is located at 601 Norwich-New London Turnpike, Suite 1, Uncasville.

“Our Montville Micro Career Fairs are successfully connecting jobseekers to new employment opportunities or different careers,” said Labor Commissioner Kurt Westby. “Local employers like the convenience of meeting a potential employee right at the job center, and the events give jobseekers the ability to meet one-on-one with several businesses at one time.”

Participating employers have registered on *CTHires*, the Labor Department’s employment network and online job bank. Prior to attending the October 17 career fair, jobseekers planning to attend are required to register by visiting www.CTHires.com. Once registered, they can obtain information about the jobs by following these steps:
