

April 30 Hamden *American Job Center* Micro Career Fair Features Six Employers

WETHERSFIELD, April 23, 2019 – Connecticut Department of Labor employees at the Hamden *American Job Center*, in partnership with Workforce Alliance, will hold a Micro Career Fair from 1 to 3 p.m. on April 30. The event will feature six local employers hoping to hire for jobs ranging from manufacturing to health care. The job center is located at 37 Marne Street, Hamden.

“Our first-ever Hamden Micro Career Fair is being promoted as a smaller job fair experience with local employers,” said State Labor Commissioner Kurt Westby. “This concept provides opportunities for jobseekers to meet one-on-one with area businesses in a professional business setting right at their nearby job center. Our goal is to connect employers with jobseekers who are seeking new employment or different careers.”

Participating employers have registered on *CTHires*, the Labor Department’s online employment network and job bank. Prior to attending the Micro Career Fair, jobseekers are required to register by visiting www.CTHires.com. Once registered, information about the various jobs can be obtained by following these steps:
