

Selim Noujaim

June 20 · 2018

Another apprentice joins Noujaim Tool Company. Welcome to you Derek. We wish you success and long tenure. Thanks to the Kaynor Mfg. Technology Department Head; Mr. Tom Kenyon. Gratitude to Keri Lamontagne of the State of CT Department of Labor, Office of Apprenticeship Training.

Yesterday we hired another apprentice. Keri Lamontagne of DOL has been a God send as she has for many years supported our expansion with State approved apprenticeship programs. We can't thank her enough! The students we hired who have since become journeymen toolmakers - are earning very respectable salaries with full insurance and benefits - do owe a lot to her dedication.
