In conformity with the Program Sponsor's Standards as approved or amended in accordance with the Commissioner of Labor's Work Training Standards for Apprenticeship and Training Programs are as follows:

The Sponsor agrees to employ the Apprentice for the purpose of enabling said Apprentice to learn and acquire the trade or craft upon the terms and conditions contained in the Standards without discrimination because of race, color, religion, national origin, age, physical disability or sex. Failure to complete the required on-the-job training hours and related classroom instruction in this time frame will result in your termination from the program. The Department of Labor will not recognize an individual as an apprentice beyond 6 months of the date of completion of the required on-the-job training hours.

In occupational licensed trades, upon successful completion of your on-the-job training hours and related instruction, an "Eligibility for License Examination" letter will be issued. The letter will allow you, upon application to the Connecticut Department of Consumer Protection, Occupational and Professional Trades Division, to sit for the occupational license examination in your trade category.

Pursuant to U.S.C.F.R. Title 29, Part 5 and C.G.S. 31-53, apprentices assigned to Prevailing Wage Project jobs must be paid their percentage of the program sponsor minimum completion rate or the project journeyworker's rate (Prevailing Wage), whichever is higher, plus 100% of the fringe benefits listed in the wage determination for their occupational classification.
