Handy Toll-Free Connecticut Telephone Numbers

You may obtain information about services offered by many state and community agencies over the telephone at no charge. The toll-free telephone numbers (and Web sites) listed below are among the state's most convenient hotlines. This list was compiled by the Education & Employment Information Center (EEIC), a clearinghouse for free information and referrals on all types of learning and career opportunities, job training programs and student financial aid. Call the EEIC Hotline Toll-Free at 800/842-0229 or in the Hartford Area at 860/947-1810 to speak with an information specialist. The EEIC is a public service of the Connecticut Department of Higher Education.
