SUBJECT: Joint Partnership Between the U.S. Department of Labor and the
U.S. Department of Housing and Urban Development

Purpose: Attached is a joint letter from the Secretaries of the U.S. Department of Labor and the U.S. Department of Housing and Urban Development announcing a joint partnership between the two agencies asking local WIBs and Public Housing Agencies (PHAs) to work collaboratively to assist HUD residents in need of job training.

We are asking all Boards to enthusiastically participate in making this partnership successful.

Contact: Questions should be directed to your area representative.
