

The Connecticut Department of Labor is modernizing its unemployment benefits system on July 5, 2022.

Here's what you need to know:

- A decision on your claim for unemployment benefits will be determined after the new system launches on July 5, 2022.
- You may sign up for a [ReEmployCT](#) account on or after July 5, 2022. CTDOL will post information to your ReEmployCT account and notify you by email when new notices arrive.
- If you do not sign up for a ReEmployCT account, you will continue to receive information by U.S. mail.
- To sign up for a ReEmployCT account, you will need to verify your email. We will email a verification code, so be certain you can access your email to complete the sign up. If you do not receive a code, check your spam folder and make certain your spam filter ~~to~~ accepts emails from @ct.gov.
- Need more information? Visit www.ReEmployCT.com for updates about the new system. We're social. You can join us @CTDOL on Twitter and Instagram or search #ReEmployCT.
