

## **November 28 Montville *American Job Center* Micro Career Fair Features Five Employers**

WETHERSFIELD, November 20, 2018 – To provide jobseekers in Eastern Connecticut with additional resources in their job search, the Connecticut Department of Labor is sponsoring a series of Micro Career Fairs on Wednesdays this fall at the Montville *American Job Center*. The next event, being held 11 a.m. to 2 p.m. on November 28, features five local employers. The job center is located at 601 Norwich-New London Turnpike, Suite 1 in Uncasville.

“Our goal is to connect jobseekers to new employment opportunities or different careers and help area employers fill their positions,” said Labor Commissioner Kurt Westby. “Our Montville Micro Career Fairs, featuring several local employers, are successfully providing a smaller job fair experience.”

Participating employers have registered on *CTHires*, the Labor Department’s employment network and online job bank.
