Dear Ms. Fracasso:

Due to the Easton, Redding, Region 9, Boards of Education vote on January 16, 2019 to award the Transportation Contract currently held by DATTCO to First Student, we will be vacating our Bethel Terminal, located at 11 Durant Avenue., Behtel, CT 06801 by an estimated date of June 29, 2019. In addition, we will also be laying off many of our employees located at that facility. We are assuming that the new contractor will offer jobs to our existing drivers and monitors provided they meet First Students qualifications. While some employees may be transferred to another location, the number of employees expected to be laid off is 52.

The last day of school is scheduled for June 17, 2019. We are not aware of what summer work we will have so most of our employees will be laid off by June 28, 2019 and some earlier based on schools last day. Our contract officially ends on June 30, 2019.

If you have any questions or need additional information, I can be reached at 860-229-4878, extension 4678.

Sincerely,

Mary Berger
Director of Civil Rights & Labor Relations
