RE: Closure of Lincoln National Corporation Facility in Rocky Hill, Connecticut

Dear Mr. Montes:

We are writing to inform you that Lincoln National Corporation will close its facility located at 55 Capital Boulevard, Rocky Hill, Connecticut. The facility was purchased from Liberty Mutual Insurance last year, and the signs located at the facility still bear the name of that company. This action is expected to be permanent. The entire facility will close.

Enclosed is a listing of the job titles of the positions to be affected and the number of affected employees in each job classification. All employee separations will take place on September 1, 2019. The employees were first informed about the plant closure on August 20, 2018.

There are no bumping rights at this location. The affected employees at this facility are not represented by any union.

You may contact Kevin Spitzig, AVP, HR Business Management, at 678-295-3176, for further information.

Very truly yours,

Adrian Butler
SVP, Human Resources and CI
