DATE: January 18, 2022

VIA: Email and Overnight Delivery

Enclosed please find an extension notice to certain affected employees concerning upcoming layoffs at the C&S Wholesale Services, Inc. (the “Company”) warehouse facility located at 1120 Harvey Lane, Suffield, CT 06078 (the “Facility”). As described in this notice, as a result of certain decisions of its customers, the Company anticipates the permanent lay-off of a number of employees and the closure of the entire Facility. The extension is based on changes in customer service requirements. Accordingly, we

are providing this notice as contemplated under the Federal Worker and Retraining Notification Act (the “WARN Act”).

We expect that the losses of employment will occur within the period of **February 26, 2022** to **March 11, 2022**. No bumping rights apply.

Attached is a list of all affected positions and the number of affected employees in each job classification. None of the employees at the Facilities are represented by a collective bargaining representative.
