We’re here when you need us.

“We made good use of all the materials, equipment and workshops offered to us. The information and education we received were fantastic. We have both found great jobs, and we are thankful for the top-notch staff you have at this marvelous facility.”

New Hartford

“Initially, I thought the Connecticut Department of Labor was just for unemployment. Then I found out that it was far more comprehensive in terms of career development, workshops and guidance.”

Manchester

“We staff are professional and knowledgeable counselors, whether helping someone with the computer, giving job search advice or providing information. What a terrific service to job seekers.”

Bridgeport

In the past five years, the Department of Labor has helped more than 85,000 people obtain new jobs and has provided job search counseling and workshops for approximately 630,000 people.

Finding a job or new career isn’t easy. The Connecticut Department of Labor is here to help. We provide a range of services including:

Career interest and Résumé writing
Job search
Interview techniques

Whether you’re a first-time job seeker, in career transition, presently employed, or getting back into the workforce, the Department of Labor can help you find your next job.
